Welcome

2020 was an unusual and difficult year for everyone but we are all hopeful that 2021 will be better. We were fortunate to be in such a beautiful place during lockdown, although seeing the town so quiet was very strange indeed.

Keswick, and its beautiful surrounding fells and valleys, is the perfect place to refresh and recharge, and let's be honest, we all need some of that right now. With that in mind the theme of this year's guide is rejuvenation.

So, if your batteries need a recharge, just sit back, relax, grab a cuppa and plan your trip to Keswick.

We hope to see you here soon. Stay Safe.

Keswick on Derwentwater – the perfect place to recharge

Now, more than ever, there is a real desire to get outdoors and reconnect with nature. Here in Keswick, we have fresh air and wide-open spaces in abundance.

Recharge in
THE ENGLISH LAKE DISTRICT
WORLD HERITAGE SITE

If you are looking for ways to relax and recharge, Keswick with its lake and surrounding fells and valleys, is just the place.

People have been choosing Keswick to "get away from it all" for almost 300 years and it is easy to see why. There is a spectacular view almost everywhere you turn and there is something truly calming about just standing quietly and taking it all in. Whatever the season or weather, there is a real beauty in the landscape.

Keswick also has the most amazing public parks and gardens where you can take a stroll, enjoy one of the games or just sit on a bench and watch the world go by.

However you choose to relax and recharge, whether it is alone or with friends or family, taking a peaceful walk or enjoying an adrenalin fuelled activity, a stroll round the shops or a beauty treatment, you can do it here in Keswick on Derwentwater.

Feel revitalized in the great outdoors

Stand Up Paddleboarding with Mountain Memories

For many, getting outside and being active is a great way to clear the mind of life's worries and problems.

Revitalise in
THE ENGLISH LAKE DISTRICT
WORLD HERITAGE SITE

For some it may be as simple as heading out for a walk or a run and you can find lots of routes on the Visit Keswick website.

If being out on the water is what brings you joy, **Derwentwater Marina** and **Platty+** are the perfect places to hire a kayak or a canoe or join **Mountain Memories** for a sunset canoe experience. Stand Up Paddleboarding has become increasingly popular and is a great way to just be alone with your surroundings. It is just one of the activities offered by **Keswick Adventures**.

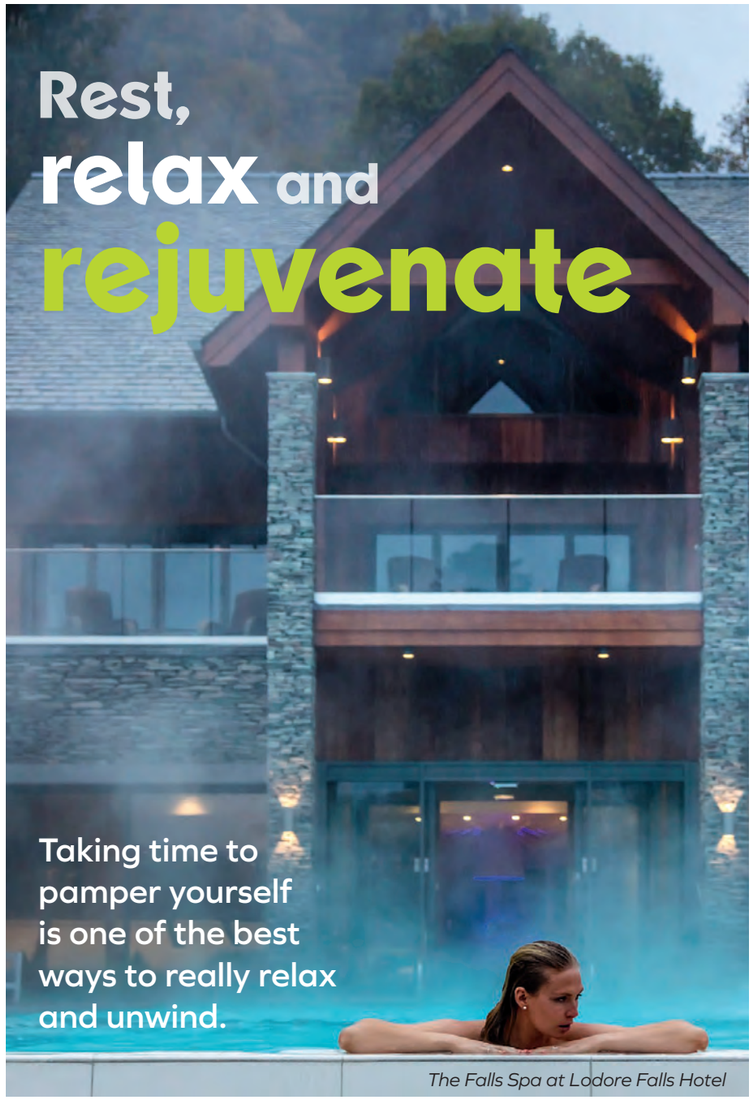
If you prefer to be next to the water rather than on it, fishing has been considered a relaxing pastime for many years. Why not pay a visit to **Watendlath Trout Fisheries**. You can find information about fishing permits on the Visit Keswick website.

Cycling has become very popular recently due, in part, to e-bikes that allow family groups of varying ability to enjoy the activity together. If you don't have your own bike, then why not hire one from **Keswick Bikes** or **Cyclewise – Whinlatter**. Whilst you are visiting Whinlatter, be sure to check out **Go Ape** where you can enjoy a forest Segway or tree top adventure.

To really get the blood pumping you should try one of the many adrenalin fuelled activities that Keswick has to offer. Choose from ghyll scrambling, rock climbing, via ferrata, abseiling and more. We don't recommend that you try these activities without professional instruction so one of our activity providers will be able to assist, such as **Keswick Climbing Wall & Outdoor Adventure Centre**, **Rookin House** or **Honister Slate Mine Adventure**.

The great outdoors should be accessible to everyone. **Lake District Calvert Trust** provide outdoor adventure holidays for people with disabilities and **Lake District Mobility** provides all terrain mobility scooter hire at **Whinlatter Forest** and other outdoor attractions in the Lake District.

Rest, relax and rejuvenate



Taking time to pamper yourself is one of the best ways to really relax and unwind.

The Falls Spa at Lodore Falls Hotel

Low Briery Wellness

Why not treat yourself to a spa day and enjoy the sauna, jacuzzi or a dip in the pool? **The Falls Spa** at Lodore is set in a fabulous location, with views over Derwentwater and the surrounding fells, that will reawaken your senses. **Low Briery Wellness** sits on the banks of the River Greta and has everything you need to unwind and escape.

If you don't have time to fit in a spa day, you can still pay a visit to **Star Beauty**. Get your nails done, enjoy a massage or a facial. Even just an hour spent on yourself will help you feel ready to take on the world.

Reinvigorate with some retail therapy

There is nothing quite like the buzz you get from retail therapy. Whether you are shopping for yourself or buying a gift, you won't be short of options here in Keswick.

Keswick Cheese Deli

Our fantastic galleries offer plenty of locally crafted items as well as some stunning pieces of art that will look great on any wall.

For the foodies amongst you, you can find plenty of tasty treats at the twice weekly **Keswick Market** or **Keswick Cheese Deli** or head to **Booths**, who stock a wide range of locally sourced produce. Of course, no visit to Keswick is complete without some chocolate treats from **Friars**.

Packhorse Court is bursting with wonderful independent shops such as **The Card Collection**. Whilst elsewhere in town you can furnish your home at **John Young Furnishings**, treat the kids at **Peter Rabbit and Friends**, buy a book at **Bookends** and of course treat your four-legged friend at **Podgy Paws**.

Don't forget that even if you can't get to Keswick to shop in person, many of the businesses mentioned offer online shopping too.

Restore the mind and body

Forest Bathing at Whinlatter Forest

You may well be surprised at the different ways you can restore the mind and body whilst visiting Keswick.

Alpacaly Ever After

Lake District Wildlife Park

Spending time with or around animals has a very calming and therapeutic effect for many people. A visit to the **Lake District Wildlife Park** might be just what you need or perhaps you would like to join **Alpacaly Ever After** for one of their Alpaca or Llama treks.

A trip on **Keswick Launch** gives you the time and opportunity to sit back and absorb the breath-taking views around Derwentwater. For something completely different you could always try some Forest Bathing at **Whinlatter Forest**.

Eating well is important for both your physical and mental well-being and you definitely won't go hungry here in Keswick. Pay a visit to our website and you will see a wide range of eateries from casual cafés to restaurant fine dining plus everything in between. Whatever your dietary preference you will find it here. Keswick is a proud **Fairtrade** town, and you will find many of our businesses stock and serve Fairtrade produce.

Reconnect with nature, up hill and down dale

A circular walk from Rosthwaite over to the peaceful Watendlath Valley, onto Derwentwater and back along the River Derwent.

Reconnect in
THE ENGLISH LAKE DISTRICT
WORLD HERITAGE SITE

Distance: 7 miles
Time: 4 - 4.5 hours
Starting point & parking: National Trust car park in Rosthwaite (NT members free) or adjacent Borrowdale Institute car park.
Public transport: Parking is limited so a good option is to take bus 78 from Keswick to Rosthwaite.

Download this and more walks at visitkeswick.com/walking-routes

1. Turn left out of the car-park and left again at the t-junction. Almost immediately turn right off the road onto a bridleway signposted Watendlath 1.5 miles. Alternatively if you have come by bus from Keswick turn left immediately onto the bridleway. Go over a bridge and turn left. Follow the bridleway to a gate and continue upwards. Presently the path passes through a kissing gate and over a stream.

2. The path becomes steeper and rockier before going through a kissing gate and then levelling out prior to the descent to Watendlath and the tarn of the same name. At the tarn go through a gate and follow the path beside the stream to the packhorse bridge. Don't go over the bridge but keep forward through the gate.

3. The path bends away from the stream and heads uphill. Soon the path levels out and goes over a bridge. Follow the path and go through a gate. The path continues along the valley above the beck. Go through a gate and down steps to walk along the side of the beck. After some time the path goes over a wooden bridge and enters a wooded area.

4. As the path comes to another bridge don't cross it but turn left to follow a path alongside a wall. Go through a kissing gate into the wood. Shortly keep left at a fork. The path soon forks again, keep left. Go through a gate to come out above a waterfall. Keep forward onto a path downhill. Continue all the way down to the road, there's a bench not far below the bottom if you need a rest.

5. Cross the road and turn left passing the Borrowdale Hotel. Just after the hotel turn right through a gate onto a public footpath. Go through a gate and turn right at first alongside the fence. Head for a gate and walk along the river bank to Chinese bridge. Cross the bridge and follow the boardwalk alongside Derwentwater.

6. Just after a 2nd stretch of boardwalk turn left away from the lake. Shortly turn right through a gate and continue forward to a kissing gate. Keep on the path till it reaches a lane. Turn left down the lane. Pass the Borrowdale Gates Hotel and continue into Grange in Borrowdale.

7. Turn right onto a bridleway signposted Rosthwaite 2 miles. After a few hundred metres take a left turn and walk down the lane past Hollows Farm campsite. At a fork bear left down to the river. Follow the path over a bridge, bear left and over a second bridge. Keep forward signposted Rosthwaite. Go through a gate and keep forward.

8. The path heads upwards for a short time, turns left through a gap in the wall and continues up. Shortly turn left downhill still following the signpost for Rosthwaite. The path meanders between heaps of slate. After some time go through a gate. Go through another gate and shortly turn left over New Bridge. Follow the path back into Rosthwaite.

Relax and enjoy a bench with a view

Latrigg

It's great to go on a walk or bike ride but even better, take the time to stop awhile and really appreciate the views. We thought we'd share with you some of our favourite benches in and around Keswick.

Relax in THE ENGLISH LAKE DISTRICT

Friar's Crag

Castlehead

Dodd Wood

Whinlatter Forest

A Roadside View – whilst cycling round Derwentwater this bench provides a well-deserved place for a rest, just off the side of the road, after the pull up the hill out of Grange.

Friar's Crag – a bench many visitors will be familiar with, just a short stroll from the town brings you to this breath-taking view over Derwentwater.

Millennium Seat – a little less well-known than Friar's Crag but with equally spectacular views. This bench is located on a small headland just off the main lakeshore path.

Castlehead – close to Keswick town centre, a short climb rewards you with a stunning panorama of the full length of Derwentwater, encircled by mountains, as well as a bird's eye view over the town and Bassenthwaite Lake.

Derwentwater Foreshore – just beyond the boat landings a number of tables provide a great place to stop with a stunning outlook over Derwentwater to Derwent Isle and the fells beyond.

Latrigg – just below the summit is this stunning viewpoint over the town centre, Derwentwater and the surrounding fells. A view well worth the walk up from the town or alternatively there is a limited mobility path from the car park at the head of Gale Road. (NY 281253)

Hope Park – located between the town and the lake, there are numerous benches in Hope Park from which you can admire the beautiful gardens and generally just watch the world go by.

Dodd Wood – even on not the finest of weather days this panoramic view from the Dodd Wood Summit Trail is a very atmospheric one. A great place to catch your breath on the way to the top where 360° views await.

Loweswater – a little further afield, this bench on the terrace path above Loweswater is a great place to stop for a picnic, to take a photo or simply enjoy the view.

Whinlatter Forest – just off the Gorse Cycling Trail up in Whinlatter, a 10km route on mostly well-surfaced forest roads. A perfect place to rest awhile with stunning views.

SCAFELL HOTEL

"IN THE HEART OF BORROWDALE"

info@scafell.co.uk
Scafell Hotel, Rosthwaite,
Borrowdale, Nr. Keswick, Cumbria,
CA12 5XB

The Scafell Hotel is a wonderful Country House Hotel located in the very heart of Borrowdale, considered by many as England's finest valley, surrounded by mighty fells, tranquil meadows and crystal clear waters. A paradise for the walker and a perfect centre from which to visit other parts of the Lake District.

The Hotel is situated almost at the foot of Great Gable and the Scafell Massif, and is regarded as one of the Lake District's renowned headquarters for climbers and hill walkers. Keen anglers will appreciate the Scafell Hotel, as there is excellent fly fishing on the River Derwent and in Derwentwater. Those who are content with gentle rambling or just lazing on restful lawns fringed by trees amidst imposing scenery will be equally happy staying here. Our rooms were recently fully refurbished in a warm and rich Country House style with a contemporary twist, perfect for setting the scene for a peaceful and relaxing break in the beautiful Borrowdale Valley.

The restaurant, lounges and bar have been tastefully decorated and furnished to retain that all important Country House warmth, allowing for complete relaxation after a great day's walking on the Fells, and maybe even a little nap by the fire after a delicious 5 course Dinner.

Under the constant direction of owner's Miles Jessop MBE (Chairman) and Andrew Nelson (Managing Director), the management and team of Scafell Hotel offer a truly warm and friendly service.

Individual and Independent Country House Hotel for the last 48 years.
