## THE HIGH ADVENTURE.

This classic private tour centres around the stunning Western Lake District and follows routes pioneered by Roman Emperor Hadrian's legions who built roads over two of the steepest and most scenic mountain passes in England, Wrynose and Hardknott.

You will have time to enjoy a leisurely narrow gauge heritage train ride, see England's deepest lake and visit the incredible grounds of Muncaster Castle, the historic home of the Pennington family, which dates back to the fourteenth century.

This tour is a chance to explore the most dramatic part of the Lake District.

## TEN LAKES SPECTACULAR.

The Lake District National Park is often called 'the most beautiful corner of England' and this exclusive full day tour will show you why.

Traverse majestic fells, delve into tranquil valleys and marvel at the shimmering lakes from north to south. Relax and take a cruise on one of our lovely lakes, explore the 4,000 year old Castlerigg Stone Circle and visit the traditional Lakeland village of Grasmere. Here you can meander through the village streets at your leisure and visit the world famous Grasmere Gingerbread shop.

You will see the best of the Lakes as you travel over Kirkstone Pass, journey through the Borrowdale Valley and visit the Honister Slate Mine.
